About *Making Crooked Places Straight*

Synopsis

***Making Crooked Places Straight* is a spiritual warfare training manual, equipping believers to walk in victory over the perverse spirit.**

Everyone wants to shine like a star, but not everyone is willing to pay the price. Because in paying the price, all come face to face with the perverse spirit in his or her life. Since the church has, for the most part, relegated the perverse spirit to the homosexual community, most Christians have no clue how the perverse spirit works in their lives, homes, or churches.

Making Crooked Places Straight solves that dilemma by providing information, insights, and answers from a solid biblical base. Writing an exposé of the perverse spirit in the form of a training manual, Penelope Kaye teaches readers how to recognize and overcome this twisted serpent with prevailing prayers, practical tools, and powerful weapons. While experiencing a roller coaster of emotions, believers find the strength to press on and realize God will see their crooked places made straight and they can then truly shine like stars.

What a blessing Penelope's book, *Making Crooked Places Straight*, has been to me. Her honesty in dealing with the perverse spirit in her own life encourages anyone to make the crooked straight, to overcome fears, to be free to be all he/she can be. Penelope supports the truths she discovered through a rich array of Bible verses and the meaning of those Biblical words. Her transitions from chapter to chapter allow individual journeys and hearts to be part of her act of creation, so all can have life changing encounters with the living God!

We are in a spiritual battle, and many Christians are not prepared for it. The Bible says we must not be unaware of Satan's schemes, yet many of us go through life with little understanding of the invisible war all around us. Penelope Kaye's book, *Making Crooked Places Straight*, is a great tool to help open your eyes to the reality of spiritual warfare, and it provides many practical guidelines to help you overcome.

Director, The Mordecai Project

Penelope Kaye's book is true manna for this age. A delightful fragrance arises throughout the pages. . . the fragrance of redemption. . . the fragrance of freedom. . . the fragrance of truth. And with this fragrance, she doesn't hide her own failings or sins. They are encompassed with humor and quickly dealt with by a well-beaten path to the door of her Lord's heart. Because of her openness, readers are free to walk with her and receive from her vast knowledge of the perverse spirit. She exposes him, layer by layer, and strips him of his merciless disguises! *Making Crooked Places Straight* is truly an unprecedented work of art, a tapestry laced with the Word of God, bringing strength and stability throughout the entire work.

Penelope Kaye gifts believers with an intriguing presentation of this specific, overlooked area of the dark spiritual world and what believers can do about it. I appreciate her balance of in-depth focus with broad application to many areas of Christian life and the church. Solid biblical foundations coupled with real-life experiences and practicalities make for an effective and interesting read.

Penelope Kaye not only carefully articulates clearly the struggles that all of us have with perverse and invasive spirits, she lays all of her words up against the template of Scripture and bathes each topic in prayer; bringing into play the two most potent weapons of our spiritual warfare.

Speaking Information

If you would like Penelope Kaye to speak at a conference, retreat, church, home gathering, or other venue, please see her contact info. An anointed and gifted teacher who moves prophetically, she can share on the following topics:

Adorning of the Bride

Jewelry enhances the beauty of a bride, and Jesus Himself longs to adorn His Bride, the Bride of Christ. Penelope Kaye's revelatory teaching on various pieces of jewelry and how they prepare the church to receive her Bridegroom will greatly encourage believers on their walk of intimacy.

Journeys

Every one is on a spiritual journey that began before the foundations of the world—a journey leading us to Christ or away from Him. Penelope Kaye brings to life the journeys of twelve men and women from Scriptures and the truths believers can apply to their own spiritual walks.

A Lover's Refrain

Singing with a prostitute? A rousing drunkard's chorus? A bride's melody? These are some of the hidden gems Penelope Kaye shares in this teaching. Believers will come away with their own new melody, a lover's refrain, a song for the ages.

Making Crooked Places Straight

Who wants their crooked places made straight? Everyone. But that's not the real question. The real question is: Who is willing to pay the price to have their crooked places made straight? Penelope Kaye exposes the crafty wiles of the perverse spirit in the church today and how to walk in victory so believers can shine like stars in the midst of a crooked and perverse generation.

Friends in High Places

Everyone needs a friend or two in high places. Penelope Kaye shows believers how to make sure your best friend is in the highest place.

Lawless Government

Governments across the land have flawed and sometimes corrupt individuals in charge. Penelope Kaye shares biblical truths to help believers not just survive, but thrive under lawless leaders.

Pools of Anointing in Worship

This is one of Penelope's favorite messages. As a worshiper in spirit and truth, she has experienced many pools of anointing. As she shares the revelations God has given her, other believers are drawn into these pools and experience a fresh touch from the Lord.

Releasing the Fragrance

Beautiful fragrances captivate our hearts. But what delights our senses doesn't come without a price. Penelope Kaye shares powerful truths behind those sweet-smelling aromas.
