

Hello, my young friend!

I am really glad to meet you! Since we're going to be friends, I thought you might like to get to know me a little bit.

I live in MONTANA.

I have two daughters.

I don't have any pets.

When I was eight years old, I knit a sweater for my baby sister.

I collect really old children's books.

I don't have any brothers.

**I love to read.**

*My favorite things in the Park are watching the buffalo kick up dust and seeing Old Faithful erupt.*

*It took me less than 2 hours to write I Do Not Like the Rotten Egg Scent in Yellowstone National Park.*

*I love blueberries—I rarely share them with anyone, but I might make an exception for you!*

**I'VE BEEN TO YELLOWSTONE PARK OVER 30 TIMES!**

I like to go for long walks.

*Word puzzles are one of my favorite things to do!*

Your friend,  
Penelope Kaye

*I like to be around water, but I don't like to swim!!!*
